

Contents

	Introduction	
	What you will learn	9
	Curriculum requirements	9
	Help and more information	10
Section 1	Set up, equipment and documents	■
	How the car works	15
	Instruments and warning lamps	15
	Engine, ignition and accelerator	16
	The engine and exhaust system	16
	Clutch	18
	Gears and gearbox/transmission	18
	Responsibility	19
	Steering equipment	19
	Brakes	20
	Lights, reflectors and horn	23
	Suspension parts	26
	Bodywork	27
	Special equipment	28
	Special vehicles	28
	Vehicle documentation	28
	Energy and environmentally friendly driving	29
Section 2	Manoeuvres at the closed training track	■
	This is what you have to look forward to	31
	Before you start the car	31
	Checklist	32
	1. and 2 starting and stopping	33
	3. Driving in figure 8s	33
	4. Forwards and reverse with measured braking	33
	5. Reversing with a turn	34
	6. Forwards and backwards slalom	34
	7. Parking at the roadside	34
	8. Driving in 2nd gear, turning right and possible hard braking	34
	9. Turning	35
	10. Parking bays	35
Section 3	Vehicle manoeuvrability	■
	You will learn to judge other vehicles	35
	Ordinary cars and delivery vans	38
	Lorries, including buses	40
	Cars with trailers	42
	Tractors, including farm equipment	43
	Motorcycles	45
	Mopeds	48
	Bicycles	50

Section 4	Road user behaviour ■	
	Road users - people in traffic	53
	Perception and reaction	54
	Mobile phones	57
	Vision and movement	57
	Judging speed and distance	58
	Legal provisions regarding health and the ability to drive	59
	Alcohol	59
	Drugs	60
	Illness, medication, fatigue and similar	61
	Other road user behaviour	62
	Judging other road users	65
	Individual attitudes and behaviour	67
Section 5	Road conditions ■	
	Road safety and safety on the road	71
	Road safety design	71
	Road risk factors	72
	Characteristics of risk factors	72
	Road surroundings	72
	Road equipment or standards	73
	Road course	78
	Use of the road	79
	Type or class of road	80
Section 6	Fundamental rules for driving ■	
	Road Traffic Act states	83
	Instructions for driving in traffic	83
	Validity of the Traffic Act	83
	Instructions for driving	83
	Safe and unhindered traffic flow	84
	Basic rules	84
	Danger, inconveniences and unnecessary inconveniences	84
	Signalling and use of lights outside during daytime	85
	Free passage for certain road users	85
	People and goods etc.	86
	Motoring stops and towing	88
	Traffic accidents	89
	Insurance requirements	90
	Entrusting the vehicle to others	90
Section 7	Manoeuvres on the road ■	
	Theory and practice at a higher level	93
	1. Setting off and stopping at the edge of the road	94
	Risks and accidents	94
	Orientation and manoeuvring	94
	2. Positioning when driving straight ahead	95
	Orientation and manoeuvring	95
	3. Speed while driving straight ahead	98
	Risks and accidents	98
	Orientation and manoeuvring	98
	Selecting speed - what to do	100

Manoeuvring on hills	100
Manoeuvring while cornering	101
Roadway stripes etc	101
Traffic signs	101
4. Changing lanes and merging	104
Risks	105
Orientation and manoeuvring	105
Roadway stripes etc	106
Traffic signs	107
5. Turning and reversing	107
Risks and accidents	107
Orientation and manoeuvring	107
Roadway strips etc	108
Traffic signs	109
6. Driving past vehicles, pedestrians etc.	110
Risks and accidents	110
Orientation and manoeuvring	111
Roadway strips etc	111
Traffic signs	113
7. Meeting others on the road	114
Risks and accidents	114
Orientation and manoeuvring	115
Roadway stripes	116
Traffic signs	116
Signals	116
8. Driving in front of or behind others	117
Risks and accidents	117
Orientation and manoeuvring	118
Traffic signs	119
9. Overtaking	120
Risks and accidents	120
Orientation and manoeuvring	122
Roadway strips etc	123
Traffic signs	125
10. Driving in high traffic areas	125
Risks and accidents	125
Orientation and manoeuvring	126
Roadway strips etc	126
Traffic signs	127
11. Driving straight ahead at crossroads or junctions	127
To remember at crossroads and giving way	127
Risk factors	129
Orientation and manoeuvring	129
Roadway stripes	131
Traffic signs	134
Direction signs	135
12. Driving straight through crossroads	136
Risks	136
Orientation and manoeuvring	137
13. Turning right at crossroads	140

	Risks and accidents	140
	Orientation and manoeuvring	141
14.	Turning left at crossroads	144
	Risks and accidents	144
	Orientation and manoeuvring	146
15.	Driving around roundabouts	150
	Risks and accidents	150
	Orientation and manoeuvring	151
	Traffic signs	153
16.	Driving on the motorway	153
	Risks and accidents	153
	Orientation and manoeuvring	155
	Roadway stripes	156
	Driving on the motorway	157
	Risk factors	160
	Traffic signs	161
17.	Driving alongside others	161
	Risks and accidents	161
	Orientation and manoeuvring	161
	Roadway stripes etc	162
	Traffic signs	163
18.	Stopping and parking	164
	Risks and accidents	164
	Orientation and manoeuvring	165
	Roadway stripes	166
	Traffic signs	166
	Stopping and parking prohibited	168
	Parking prohibited	169
19.	Driving in the dark and during the daytime in general	170
	Risks and accidents	170
	Orientation and manoeuvring	170
20.	Driving in tunnels	174
	Risks and accidents	174
	Orientation and manoeuvring	174
	Traffic signs	175

Section 8

Special risk factors in traffic

	Alcohol as a cause of accident and injury	177
	Drugs as a cause of accident and injury	179
	Speed as a cause of accident and injury	181
	Not wearing seat belts as a cause of injury	183

Section 9	Manoeuvres at the technical installation	■
	This is how the car reacts	189
	Roadholding and loads	189
	Speed, braking distance and roadholding	191
	Kinetic energy	191
	Centrifugal force	191
	Braking distances	192
	Use of road holding	193
	Exercises in use of road holding	194
	Obstructions on the carriageway	195
	Slalom	195
	Double evasive action without braking	195
	Combined braking and evasive action	195
	Regaining control after skidding	196
	Driving in a curve	196
	Rear wheel skid	196
	Front wheel skid	196
	Keeping control after driving over a high curb edge	197
	Back at the high curb edge	197
Section 10	Preparation for the driving test	■
	The last word on the road	201
	Conditions for obtaining a driving licence	201
	Driving instruction	201
	Preparation for the driving test	202
	Driver's license category B and entitlements	202
	The actual driving test	203
	Theory test	203
	Practical test	204
	Driver license regulations	206
	Validity	206
	Suspension and reinstatement	206
	What lies ahead	207
	Voucher system	208
Annex 1	List of signs	■
	Supplementary signage	211
	Warning signs	212
	Give way signs	214
	Prohibition signs	214
	Compulsory signs	216
	Informative signs	217
	Area or zone signs	219
	Direction signs	220
	Services signs	225
	Edge marking signs	226
	Traffic lights	226
	Lane markings	227
Annex 2	Alphabetic contents	231
